CONTENTS

Number 1, March, 1937

PAGE

Editorial Introduction 1

Clairvoyant Blind Matching.....J. G. Pratt 10

Experiments in Extra-Sensory Perception..J. L. Woodruff and R. W. George 18

An Experiment in Card Guessing.....C. R. Carpenter and Harold R. Phalen 31

Telepathy in the Psychophysical Laboratory
Lucien Warner and Mildred Raible 44

Bender on Extra-Sensory and Sensory Form Perception....Donald K. Adams 52

The Tyrrell Experiments.....Burke M. Smith 63

Some Basic Experiments in Extra-Sensory Perception—A Background..... 70

Number 2, June, 1937

Editorial Comment 81

The Role of Luck in ESP Data.....Lucien Warner 84

Extra-Sensory Perception of Normal and Distorted Symbols
J. D. MacFarland and R. W. George 93

Some Stimulus Variations in Extra-Sensory Perception with Child Subjects.....Louisa E. Rhine 102

General Extra-Sensory Perception With a Group of Fourth and Fifth Grade Retarded Children.....Esther May Bond 114

Group Tests for Extra-Sensory Perception....Vernon Sharp and C. C. Clark 123

Extra-Sensory Perception Among the Blind
Margaret M. Price and Margaret H. Pegram 143

Glossary 156

Number 3, October, 1937

Editorial Comment 159

An Experimental Investigation of Telepathic Phenomena in Twins
Joseph F. Kubis and Fabian L. Rouke 163

The Effect of Distance in ESP Tests.....J. B. Rhine 172

Chance and Extra-Chance Results in Card Matching.....Dorothy R. Martin 185

Some Psychological Relations of Extra-Sensory Perception
Margaret H. Pegram 191

Mathematical Techniques Used in ESP Research
J. A. Greenwood and C. E. Stuart 206

Letters and Notes..... 226

Glossary 228

NUMBER 4, DECEMBER, 1937

Editorial Comment 231
A Test Case.....Lucien Warner 234
The Work of Dr. C. Hilton Rice in Extra-Sensory Perception....J. G. Pratt 239
A Case of High Scores in Card Guessing at a Distance.....Bernard F. Riess 260
A Study of Comparative Performance in Several ESP Procedures
Edmond P. Gibson 264
The Question of Sensory Cues and the Evidence.....J. B. Rhine 276
A Rating Table for Card-Matching Experiments.....Edward V. Huntington 292
A Review of Criticisms of the Mathematical Evaluation of ESP Data
C. E. Stuart and J. A. Greenwood 295
Notes 305
Glossary 306

CONTENTS BY AUTHORS

Adams, Donald K., Bender on Extra-sensory and Sensory Form Perception 52
Bond, Esther May, General ESP with a Group of Fourth and Fifth Grade Retarded Children 114
Carpenter, C. R., An Experiment in Card Guessing..... 31
Clark, C. C., Group Tests for ESP..... 123
George, R. W., Experiments in ESP..... 18
———, ESP of Normal and Distorted Symbols..... 93
Gibson, E. P., A Study of Comparative Performance in Several ESP Procedures 264
Greenwood, J. A., Mathematical Techniques Used in ESP Research..... 206
———, A Review of Criticisms of the Mathematical Evaluation of ESP Data..... 295
Huntington, E. V., A Rating Table for Card Matching Experiments..... 292
Kubis, Joseph F., An Experimental Investigation of Telepathic Phenomena in Twins 163
MacFarland, J. D., ESP of Normal and Distorted Symbols..... 93
Martin, Dorothy R., Chance and Extra-Chance Results in Card Matching.... 185
Pegram, Margaret H., ESP Among the Blind..... 143
